

Always Been [Lyrics]

[Default Arrangement] by Sharyden Shaw, Kurt Hartwell Jr.

INTRO:

VERSE 1:

You're further above all that I see
I don't wanna go back to the old me
And when life doesn't add up when
My faith is shattered
You're still the God who works in the unseen

PRE-CHORUS 1 :

With every second chance

You make me new again

VERSE 2:

Tired of finding my purpose in photos
Tired of sitting in church feeling hollow
I want a Love that won't fail in a
World that's fading
I give You everything I am

PRE-CHORUS 2 :

With every second chance

You make me new again

CHORUS 1A:

You're the Love that I've always needed
You're the Peace that I can't explain and
You are good - You've always been good

Yeah I know that You're always good

CHORUS 1B:

You're the Love that I've always needed
You're the One I was always missing
You are good - You've always been good
Yeah I know that You're always good

BRIDGE:

You are good, You are good
You are always good
