## **CLEARANCES:**

**For Residence of Pennsylvania:** In accordance with PA State law, each chaperone over the age of 18 must submit copies of the following clearances (within the last 5 years) with their application

**Child Abuse History Clearance Online:** This clearance can be applied for online, the system will generate a report and email it to you when it's ready, this can take a few days to a few weeks depending on the amount of clearances being processed at the time. This clearance is free of charge when you list that the purpose is to volunteer. Apply online at <https://www.compass.state.pa.us/CWIS>

**State Police Online:** This clearance can be applied for online and will generally generate your report immediately. This clearance is free of charge when you list that the purpose is to volunteer. Apply online at <https://epatch.state.pa.us/Home.jsp>

**FBI Fingerprinting:** This clearance is only necessary if the volunteer has NOT lived in the state of PA for the last 10 consecutive years. You can apply for this clearance online and then go to a fingerprinting processing center to record your fingerprints. A report will be mailed to you, this clearance takes the longest to obtain and has a fee associated with it. This clearance is only needed one time until you've lived in PA for 10 consecutive years. Visit [https://pa-aps.3m.com/perlpub/registration\\_welfare\\_pci.pl](https://pa-aps.3m.com/perlpub/registration_welfare_pci.pl) to apply online and get more information.

**Affidavit:** If the volunteer has lived in the state of PA for the last 10 consecutive years, an affidavit must be submitted in place of the FBI Fingerprinting. The link below is a sample affidavit you are welcome to use <http://penndel.org/wp-content/uploads/2015/03/Affidavit-Relating-to-Residence.pdf>.

### **For Residence of States other than Pennsylvania:**

If you do not currently live in the state of Pennsylvania, you are required to send us a copy of the clearances your church requires of its volunteers. Many churches outside of PA use services like TracOne to clear their volunteers. Please send a copy of your updated clearances with your camp application.
