As the BQ Coach I verify that the above students have completed the requirements necessary to receive the Penn-Del "Application Questions Award":

- "Experience" Division answers all 21 questions of the material they are quizzing over.
- "Middle School/Penn-Del" Division answers all 42 questions of the material they are quizzing over.
- "A" Division answers all 76 questions over all of 1 & 2 Corinthians.

All quizzers must accomplish this at one sitting, answering all questions in essence, unless a question is a "Quotation Question".
